Subsequently, on the basis of the confessional statement of co-accused Danish, the name of the applicant surfaced as an accused with the allegation that the applicant also accompanied him at the time of the killing of the deceased. It is further submitted that on the basis of the recovery of a country-made pistol of 12 bore, the applicant has been falsely implicated in the present case, though the postmortem report of the deceased shows one firearm injury and several stab wounds on the person of the deceased. The firearm injury shown in the postmortem report could have been caused by a 315 bore pistol, which was recovered from co-accused Danish, and there is no firearm injury that could have been caused by the country-made pistol of 12 bore.
